

Coronavirus Update

Important Information Regarding our Holidays and Excursions

Date added: 18/03/20

We find ourselves in extremely unusual and difficult times and in light of the recent government statement on Monday 16 March 2020, the directors and management team have taken the extremely difficult decision to cancel ALL our brochure departures, both holidays and day excursions, with immediate effect up to and including 30 April 2020.

This is a decision we have not taken lightly as we hate to disappoint our customers but given the government advice, we feel we have no choice. Please rest assured that we are currently doing everything we can to resume normal operations as of the start of May 2020.

On a positive note, this current national and worldwide emergency is very much a temporary one and we believe that come the start of the summer, our programme and things in general will be very much back up and running – and of course there are plenty of superb opportunities to travel with Woods available on our website, and we hope to launch our Autumn/Christmas/Spring holiday brochure by the end of April for more ideas for future travel.

Finally, and most importantly, we want to take this opportunity to wish you the very best, that you keep well and as happy as possible, during this incredibly difficult situation. We want to thank you, from the bottom of our hearts, for your continued support of our company and our staff, and also for your patience and understanding while we make all the necessary arrangements.

We will be in contact with all customers who have day excursions or holidays booked up to and including 30 April 2020 by post. We, like you, are watching the situation as it unfolds very carefully and if you have any questions, concerns; and if you would like to book alternative trips later this season, then please call our offices on 01243 868080 or email info@woodstravel.co.uk.

Kristy Elsmere
Joint Managing Director
